J.A.M.

Thank you for visiting our booth

Japan Automatic Machine Co., Ltd.

2024/3/28

J.A.M. Technology (Huizhou) Ltd.

Japan Automatic Machine (Shanghai) Trading Ltd.

Japan Automatic Machine Hong Kong, Ltd.

We would like to take this opportunity to thank you for visiting our booth at Productronica China 2024, which was held for three days from 20th March 2024 to 22nd March 2024.

Thanks for encouraging & supporting us to end this three-days exhibition with great success.

If you have any questions or requests , please feel free to contact us.

We are determined and will work to meet your expectations, taking into account your questions and requests.

We look forward to your continued patronage of our products.

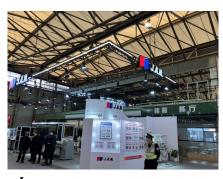

[Productronica China 2024 was held at one of China's largest exhibition venues, the Shanghai New International Expo Centre (SNIEC).]

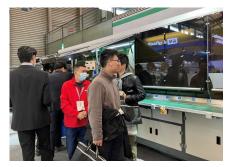

[The CPR-F-ZERO high-speed doubleend crimping machine, which was unveiled for the first time in China, attracted much attention from visitors.]

Exhibition View

[A wide range of products were on display, including the latest fully automatic terminal crimping machines, high-frequency connectors for automotive use and inertia-lock relay connectors.]

[The FAKRA connector automatic processing machine from our partner manufacturer received a high level of interest.]

Head Office:

Plants:

Domestic Sales Offices:

Overseas Sales Offices:

[Many customers visited our booth every day, who eagerly observed the operation of the exhibited machines.]

[Ultra sonic welding technology by our partner manufacturer TECH-SONIC could be linked to a new connection technology.]
