Dear Customers,

JAPAN AUTOMATIC MACHINE CO., LTD.
Machine DivisionCrimping Machine (CMP1000) Notice of Discontinuation of Production

We hope this message finds you well.

We sincerely appreciate your continued trust in and use of our products.

In consideration of the recent order situation and other factors, we have decided to discontinue production of the 10-ton crimping machine (CMP1000), which has been the long-time favorite of our customers, as described below.

After the discontinuation of the 10-ton crimping machine (CMP1000), the 15-ton crimping machine (PGC1500) will replace the CMP1000 as the recommended model.

We sincerely ask for your understanding regarding the discontinuation of production, and we hope for your continued support in the future.

Sincerely,
